Executive Session Roll Call Vote:

Ayes: Rep. Kelley Packer, Kevin Settles, Fernando Veloz

Nays: None

The committee came out of executive session at 3:47pm; no final action or final decisions were made in executive session.

The committee discussed the IHIE's desire to hire the best available personnel, employed and contracted, in a legal and transparent manner to complete the work of the IHIE. The committee further discussed its desire to make every effort reasonable to advertise the open positions throughout the state and employ a professional HR company to assist in the initial candidate screening process as needed. Executive Director Dowd expressed an immediate need to hire two positions, one in operations and another in IT. Immediately following the hiring or contracting of these positions she stated other key positions will need to be hired/contracted including Director of Marketing and Communication, and Director of Finance among others. The timely hiring of these positions will be critical to meeting the IHIE performance deadlines issued by CCIIO.

The committee recognizes the immediate need, short performance deadlines and the narrow scope and skill set needed to fill the Director of Operations and IT Systems Lead positions. A motion was made and

seconded to recommend for IHIE Board approval at the June 5 board meeting that we authorize our Executive Director, Amy Dowd, to immediately contract or hire both a Director of Operations and an IT System Lead position. Motion passed unanimously.

A motion was made and seconded to additionally recommend for IHIE Board approval at the June 5 board meeting that we authorize our Executive Director, Amy Dowd, to advertise and pursue filling other positions including Marketing and Communications, Finance, and other positions as necessary. Motion passed unanimously.

The committee recognizes the responsibility to hire and manage IHIE personnel lies with the IHIE Executive Director. Due to the immediate need and short performance timeframes the Finance Committee and the Chairman of the IHIE board offered to assist Ms. Dowd as needed. Ms. Dowd recognizes the financial impact of personnel hiring and contracting and will keep the Finance Committee informed of her personnel hiring and contracting activities.
