

Question	Answer
What is the Contract Time Period?	October 1, 2015 - September 30, 2016
Is YHI open to receiving applications from entities that can provide Enrollment Counselors via call center support only?	Yes, YHI is open to receiving applications from call center entities.
Please clarify if this is one paper copy of the original response + 1 electronic copy, or is this a single electronic copy marked original response (i.e. no paper copy)?	One Electronic Copy will suffice.
Will the cost for the background check be covered by YHI, or should enrollment entities anticipate paying for the background check?	Enrollment Entities should anticipate paying for background checks.
Although consideration of price is part of determining what vendors are most advantageous to YHI, we do not see anywhere for vendors to provide pricing information as part of the application. Can YHI please clarify how this information should be submitted?	The budget for pricing information can be submitted in a separate attachment with the application.
In order for applicants to determine the number and geographic distribution of staff, can YHI provide the current YHI enrollment by geography, and the projected enrollment by geography for 2016?	A breakdown of enrollment by county can be found at the end of this link. Although total enrollment has changed the percentages by county have remained fairly constant. https://www.yourhealthidaho.org/your-health-idaho-reaches-more-than-80000-consumers-in-december/
