Boise, Idaho

We have performed the procedures enumerated in the Description of Procedures below, on Idaho Health Insurance Exchange's compliance with Title 45 part 155 of the Code of Federal Regulations (CFR), for the year ended June 30, 2022. Idaho Health Insurance Exchange's management is responsible for internal controls over processes identified by management for the year ended June 30, 2022.

Idaho Health Insurance Exchange has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of compliance with Title 45 part 155 of the Code of Federal Regulations (CFR), for the year ended June 30, 2022 and we will report on findings based on the procedures performed. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and the associated findings are identified in the Summary of Programmatic Procedures and Summary of Findings.

We were engaged by Idaho Health Insurance Exchange to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on to and acknowledged that the procedures performed are appropriate to meet the intended purpose of compliance with Title 45 part 155 of the Code of Federal Regulations (CFR) for the year ended June 30, 2021. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures; other matters might have come to our attention that would have been reported to you.

We are required to be independent of Idaho Health Insurance Exchange and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely for the information and use of the audit committee and management of Idaho Health Insurance Exchange and is not intended to be and should not be used by anyone other than this specified party.
