

To open your secure email from YHI:

1. In the email, double-click message.html.
2. If prompted, click Open.
3. Select Use a one-time passcode. The passcode expires in 15 minutes.
4. Retrieve the passcode from your email.
5. Enter the passcode in Passcode.
6. Click Continue.

The email message will open in your browser.

Thank you,

Your Health Idaho
